Chamarande

Gold diamond and enamel bangle, circa 1860

Yellow gold bangle of foliate design. The central oval raised panel is composed of a radiating mass of overlapping old-cut diamonds leaves and a flower centre set with old-cut diamond set in a scrolling circle of chiseled intertwined gold leaves and orange guilloché enamel ribbons.
The center is detachable to form a brooch.

diameter : 5,6 cm
detachable brooch : 4,9 cm lenght
Gold 750 m
no marks
