

Chamarande

GOLD DIAMOND AND ENAMEL BANGLE, CIRCA 1860

Yellow gold bangle of foliate design. The central oval raised panel is composed of a radiating mass of overlapping old-cut diamonds leaves and a flower centre set with old-cut diamond set in a scrolling circle of chiseled intertwined gold leaves and orange guilloché enamel ribbons.

The center is detachable to form a brooch.

diameter : 5,6 cm

detachable brooch : 4,9 cm length
